WHAT THIS MEANS

Balanced, Healthy Visibility

Reach Across Every Surface

Your audience is finding you on **Google Search and Google Maps**, on both phones and computers. This even spread is a sign of a healthy, well-rounded local presence — you're not dependent on any single channel.

Mobile & Desktop in Balance

A near 50/50 split between mobile and desktop tells us your profile looks great everywhere. On-the-go searchers and at-desk researchers are both engaging — a strong signal for a boutique brand.
